Due to our continuing expansion, this is an excellent opportunity to join Breakthrough's team in Newton Abbot. As a young person's Core Worker, you will work on an individual basis with students aged between 4 and 25.

The successful candidate will need to be able to build a therapeutic alliance and work therapeutically with children and young people to help them feel safe and secure and to reduce anxiety. They will also need to work with teachers in order to follow care plans, educational schemes of work and write reports. They will need to ensure the highest standards of professional practice and Safeguarding. Preference will be given to candidates with experience of working in an animal care environment, preferably within an educational setting. A proportion of the work with young people will be outreach to the home and community, and we are seeking a candidate who is flexible, reliable and at times able to work independently using their own initiative. The ideal candidate may also have experience in working with young people with Foetal Alcohol Syndrome and working with AIM2 risk assessments.

All employees will be required to obtain an enhanced Disclosure and Barring Certificate. References will be sought for all applicants who are short-listed. The successful applicant will complete:

- (a) a Group 2 Safeguarding Training Course
- (b) a Prevent Strategy Training Course
- (c) a First Aid at Work Training Course
- (d) reading of all policies and all paperwork relating to the position
- (e) a range of CPD focusing on mental health and behavior
